a 13 day Vietnam Bike & Sea Kayaking Tour

Vietnam is a country filled with captivating natural beauty and tranquil village life. Its highlands continue to yield new species and team with exotic wildlife. Its islands and beaches are among the finest in all of Southeast Asia, and its cuisine is excellent. Our new Highlights Multisport provides you with the opportunity to experience it all firsthand.

We begin our journey in the country's capital, Hanoi, where we explore its history and cultural exhibits. Experience the old French Quarter by cyclo (bicycle taxis). Then head out into the country for a couple of days by bike through the dramatic landscapes of Mai Chau and Ninh Binh. A quick flight takes us to central Vietnam, where we will spend several days exploring the beautiful historic cities of Hue and Hoi An. Your bicycle tour leg also heads into the western mountains for a spectacular ride along the new Ho Chi Minh Highway, with its quiet ethnic villages and broad sweeping landscapes. This winding road follows the old wartime Ho Chi Minh Trail.

The final leg switches gears, leaving the land behind for a cruise by junk through the turquoise waters of UNESCO World Heritage, Ha Long Bay and swaps our bicycles for sea kayaks to explore the many karst limestone islands. Our junk features all the amenities for comfortable evening accommodations, air conditioned rooms with en suite facilities. And our sea kayaks allow us access inside the islands paddling through caves to their hidden interiors. It is a journey unlike any you have done before.

Day by Day Itinerary

Day 1 - Arrive in Hanoi and transfer to our hotel in the old French Quarter. The rest day at your leisure. In the evening, we dine at Seasons of Hanoi restaurant.

Day 2 - We explore Hanoi by van, foot and cyclo (a pedal powered taxi). Day 3 - This morning we will bypass Ha Noi's hectic traffic, shuttling to the quiet town of Man Duc. We will mount our bikes and pedal off into the lush hill country. The landscapes are magnificent and our cycling takes the easiest route through the mountains, not over them. A short climb at ride's end takes us into the Mai Chau valley and our lodge sitting at the edge of bright green rice paddies. 30 mi /50 kms

Giving Back:

Guests often ask what they can do or bring to help people in the region. We suggest purchasing school notebooks after you arrive in Vietnam to pass out to children in the remote villages we visit. Or if you have a discount store nearby home, pick up some simple reading glasses (2 to 3.75) to pass out to elderly villagers, so that they can continue to lead productive lives.
